

## **Boil Water Notice Rescinded**

March 4, 2026

On March 2, 2026 the Texas Commission on Environmental Quality required the City of Combes public water system, TX0310021, to issue a Boil Water Notice to inform customers, individuals, or employees that due to conditions which occurred recently in the public water system, the water from this public water system was required to be boiled prior to use for drinking water or human consumption purposes.

The public water system has taken the necessary corrective actions to restore the quality of the water distributed by this public water system used for drinking water or human consumption purposes and has provided TCEQ with laboratory test results that indicate that the water no longer requires boiling prior to use as of March 4, 2026

If you have questions concerning this matter please contact the water department at 956-423-2714.

## **Aviso de Hervir el Agua Cancelado**

**4, Marzo 2026**

El 2 de Marzo de 2026, la Texas Commission on Environmental Quality (TCEQ) requirió que el sistema público de agua de la Ciudad de Combes, TX0310021, emitiera un Aviso de Hervir el Agua para informar a los clientes, residentes y empleados que, debido a condiciones ocurridas recientemente en el sistema público de agua, el agua de este sistema debía hervirse antes de usarse para beber o para el consumo humano.

El sistema público de agua ha tomado las acciones correctivas necesarias para restablecer la calidad del agua distribuida para beber o para el consumo humano y ha proporcionado a la TCEQ los resultados de laboratorio que indican que el agua ya no requiere hervirse antes de su uso a partir del 4 de marzo de 2026.
